

# National Park Project

This is a group project, so the expectation is everyone will work together to create a presentation - so work as a team!

**Each Group is responsible for a:**

**Tri-fold board with pictures and captions**

- \* choose a color scheme for the board
- \* all pictures and captions need backing paper
- \* all captions must be typewritten in your own words
- \* all pictures and captions need to be cut straight

**Power Point slides**

- \* additional material that will be shown on Promethean
- \* 3 or 4 slides per group

**Visual Aids**

- \* bring in items to display that are connected to any of your parks
- \* bring a table cloth or some covering for your table top

**Bibliography**

- \* list the books, websites, and references you used to find your information

We will present for Open House Night during Catholic Schools Week February 2, 2017.
