Curriculum Corner	
Writing	The kids are working very hard on writing their name. We have seen great improvement! We also continue to do activities that strengthen fine motor muscles.
Religion	Our focus the last two weeks has been about community helpers. The children have learned that God gives each person a special gift and our gifts can be used to serve our community.
Reading	I introduced the letters H,T and I last week. We are focusing on recognition as well as sound for these letters.

Congratulations to these great kids who earned Bananas!
