Announcements/Reminders:

***Don't forget to turn in your Ram Run pledges. Your generosity makes many wonderful things possible at Holy Rosary!**

Curriculum	Corner
Writing	The children have been introduced to the terms big line, little line, big curve and little curve. This language is how we teach handwriting.
Math	We continue to work on number recognition and counting. I introduced the concept of sorting this week and am encouraging the children to sort by many different attributes, not just color.
Reading	I introduced the letters E, L and F last week. We are focusing on recognition as well as sound for these letters.

Congratulations to these great kids who earned Bananas!

Thank You Parents!

The first non-student day was incredibly valuable for myself and Ms. Isner. We worked together all day to create lesson plans for the month of October and update and coordinate vocabulary, handwriting and religion curricula. As a working mom I know the challenge of finding care for kids when they're not at school. I appreciate your efforts so much and hope you feel that the experience they are receiving is worth it.
