

Weekly Newsletter November 3, 2017

The children did a fantastic job on their first all school Mass on Wednesday. I was a bit nervous being that it was Halloween the night before. The children were well prepared of what to expect and I even did a little review later in the day if they could recall the Gospel Father Vincent told - there was a good response from many children. We visited the Saint's Museum in the Pastoral Hall that was put on by the 4th graders. Our own Jayden's sister was Saint Anthony!

Religion - Chapter 7 "God Made The Bible." We talked of the importance the bible is about all the wonderful stories of Jesus's life. The children will be bringing home today in their red folders their very own prayer book to help them talk to God along with a letter from God!

Literacy/Reading - This week we reviewed all the letters we have learned so far this year. Our "Word Wise" lesson words were - point, say, A, capital, lowercase, letter. We practiced using Literacy words displayed all over our room to demonstrate the meaning of these words.

Math - This week we played number BINGO using numbers 1-20. The children are learning to write numbers 1-5 and identifying how many gumballs represent numbers 1-20 from our Calendar Chart.
