

PreK-B Weekly Newsletter September 8th

Our first week of preschool was absolutely fabulous! Both Mrs. Roddenbaugh and I were quite pleased to watch our students engaged in play with their new friends. They enjoyed building and creating some wonderful designs and structures together. In our dramatic play center dressing up in doctor clothes, putting on jewelry and cooking were some fun highlights to observe!

We read the book "The Kissing Hand" - look for the special poem the children made just for you. Ask your child to explain why the heart is in the middle of their handprint!

We enjoyed meeting our new Spanish teacher Senorita Gibson and enjoyed singing songs, learning colors and meeting "Señor Pato" (Donald Duck in English).

Folders - Please check your child's Red folder each Friday and take out those items your child worked on over the week. Make sure you bring back the Red folder to school each Monday so we can begin filling it up for the following Friday of your child's wonderful work!

Reminders - Thursday September 14th is Student Photo day! Please bring the photo envelope with payment to school on Thursday or prior to picture day.

Please bring your child's water bottle filled with clean water on Monday. Also, if you have items to still bring in - Photo, Emergency Bag, Extra Lunch, Change of Clothes, bring those as well.

Have a wonderful weekend - please help your child get plenty of rest because next week is a full week and they will be busy!

Thank you and God Bless,

Janice Isner
