

Weekly Newsletter October 20th, 2017

The Ram Run was a huge success with our little preschoolers! The children had a great time running/walking with their 7th grade buddies. Check how many bracelets your child has - that's how many times they ran around the track. I want to thank all the parents who volunteered their time to make this fund raiser a huge success!

Religion - Chapter 5 "God Made My Church Family." We learned who makes up our church family - Father Vincent, Families, Alter Servers, Community and school students. We are learning about the church because we will be attending our first Mass with our 7th grade buddies Wednesday November 1st.

Literacy/Reading - Our letters this week were U (unicorn, umbrella), C (cat, coat, cup) and, O (otter, ocean, octopus). Our "Word Wise" words are *polite, rude and manners*. We discussed the differences of what polite and rude look like when playing with friends and listening to their teachers.

Math - We finished our shape books that are coming home this week. We experienced different apples by having a taste test. We tasted three different kinds of apples (granny smith, honey crisp and red delicious) the children's favorite was - granny smith. The children are practicing counting to 20 and recognizing numbers 1-20.

Red Folders -

- Religion - page 19,20,21,22 (Chapter 5) My Church Family
- Shape Man and Free Art Creations
- Shape Book
- Bean & Noodle Letters - U,C,O
