

PreK-B Weekly Newsletter September 11th

Our first full week together as a whole class was thrilling meeting new friends! The children are learning the names of their friends while engaged in play during learning activities, recess, lunch and free choice.

We met our 7th grade buddies today and spent our morning recess playing outside - both classes were so excited about who their buddy was!

Religion - We talked about "God Made Me" and how special and unique we are. We read stories from our "Children's Bible" - ask your child what they remember - *God Made The World, God Made Adam & Eve, Noah's Ark and The Tower of Babel.*

Literacy Stations - Children learned about "Mat Man" our "**Hand Writing Without Tears Program.**" We decorated our first letter of our name with stickers, practiced cutting, strung letters to make our name and put together ABC puzzles.

Math Stations - We learned our shapes and how to draw them by tracing. We are learning how to create patterns like (blue, yellow, blue yellow and extend). We played "Color" card game where children had to match colored objects with the correct color card.

Folders -

- Religion page 3 & 4
- Scholastic Book Orders
- Free Art Creations
- Spanish (Colors of the rainbow)
- Card from their 7th grade buddy

Reminders - Thursday September 19th - Curriculum Night 6:30

God Bless,

Janice Isner
