

## PreK-B Weekly Newsletter September 18th

This week was busy with lots of learning in our Literacy Stations and Math Stations. The children are doing well working together and problem solving with one another at these stations.

**Religion** - This week we talked how God made our families. Through family relationships children should come to understand that God loves and cares for them.

**Literacy Stations** - Mat Man - learning lines and curves, letter stamping with playdough, Brown Bear book (learning word colors). Cutting out pictures from magazines then writing the letter sounds of object.

**Math Stations** - We continued learning our shapes and how to draw them. We discussed how many letters our in our names and matched students with the same amount of letters. Our friend Clementine had the most with 10 letters and our friend Ben had the fewest with 3 letters. We read "Brown Bear" and made our own books.

### Red Folders -

- Religion pages 5 & 9 and "A Kitten's Tale" booklet
- Free Art Creations
- Spanish - Mi Libro de Colores book
- Children's first letter of their names with stickers
- Colors page

### Reminders -
