

“Holy Rosary Students Salute Our Veterans”

'Veterans Day School Assembly'

'Veterans Send Their Thanks for Holy Rosary Student Cards'

...I did want to pass on the many thanks to your 7th grade class from our residents. This is an extremely important day for the veterans because they are so proud of the contribution they gave so many years ago that made our country what it is today. Not only were the contents of the messages meaningful, but the fact that it was young people showing their admiration and gratitude is a testament that their service was not in vain and that something that they believed so strongly is still being honored and carried on like a legacy.

Thanks again to all the Holy Rosary 7th graders and to you, Mrs. Rojas.

Sincerely,

Amy Mazarella,
Activity Director, Bothell Health Care
