

March 15, 2017

Dear Families,

It is wonderful to see a little sunshine mixed with a bit of rain to brighten our days, and our students growing spiritually and academically each day. My favorite part of the day is visiting classrooms and seeing the smiles on students' faces and great "aha" moments in learning.

Each of our masses throughout Lent is prepared by a different grade level. It is very special to have all the students participating and so many parents joining in our weekly celebration of mass. I am pleased that we are able to share our Lenten journey as a school family. Please note the calendar for dates for these masses. Our next mass will be Friday, March 17<sup>th</sup> at 9:00 AM.

Students may wear green this Friday, March 17<sup>th</sup> to commemorate St. Patrick's Day, but remember no shorts may be worn due to attending our school mass. Father Madigan will be our celebrant for this mass.

Another highlight we have at Holy Rosary is the 8<sup>th</sup> grade play "Rocky of the Rainforest." Join us in the Gym on Friday, March 24<sup>th</sup> and Saturday, March 25<sup>th</sup> for the 7:00 PM shows. Everyone is invited, and this play is appropriate and geared toward younger children.

I am looking forward to our Speech Tournament coming up on April 4<sup>th</sup> and 6<sup>th</sup>. Students' begin with short poems in kindergarten and progress to essays in the upper grades. This is truly an amazing opportunity for our students to gain exposure and build confidence in public speaking.

All students are being reminded about our expectations for walking on our sidewalks around our school, church and grotto areas. Various people use the walkways, so we want to make sure everyone is safe by walking, not running.

Thank you for sending your children "ready to learn," and for your role in making Holy Rosary a great school and parish.

Blessings,

Susan Venable

# Holy Rosary Annual Speech Tournament

Just three weeks away!

All selection titles should be in to the teachers.

Students should be practicing at home.

Help make this a positive experience for your child. Be sure they've had enough practice. Listen to them.

Encourage them. Cheer them on!

If you have questions please contact either Ms. Mulvihill or Ms. Daigle

## **World Water Day “Movie Night” March 21st**

**Holy Rosary Parish Center, 230 7<sup>th</sup> Ave. N., Edmonds, at 7 pm**

The Care of Creation Committee, a sub-committee of the Holy Rosary Peace and Justice Commission, is holding an informational evening on the world water crisis on March 21<sup>st</sup> at 7 pm in the Parish Center.

Being shown with permission from the film’s production company, “**Tapped**”—a winner of five film festival awards in the US and Canada for best documentary—is necessary viewing for anyone on the planet who drinks water. “With style, verve and righteous anger, the film exposes the bottled water industry’s role in accelerating climate change, contributing to pollution, and increasing dependence on fossil fuels. . .while gouging consumers.” (Peter Rothberg, *The Nation*)

The audience will have an opportunity to hear and question a panel of local experts on water conservation, including Rebecca Wolfe, Kirk Anderson, and Joe Scordino (of Students Saving Salmon) as well as meet members of **Interfaith Climate Action**, a group of area churches which studied Pope Francis’ Encyclical on “Care of Creation” (*Laudato Si*) two years ago. It includes members of Holy Rosary Catholic Church, Edmonds United Methodist Church, the Edmonds Universalist Unitarian Church, and several other congregations.
