

January 18, 2017

Dear Families,

This coming Saturday, January 21st, Holy Rosary School students and families are all invited to participate in our school-wide Service Project Day in Mt. Vernon. This is an extension of the Migrant Farmers Summer Experience in which some of our upper grade students participate. If you are interested in participating email Senorita Parisa, parisaa@holyrosaryedmonds.org.

Planning for our school auction is going very smoothly. The focus right now is on procurement. Please see the auction newsletter in the family folder for donation ideas. Cash donations are always accepted: these allow us to enhance numerous auction packages (add a dinner to a hotel stay, a limo ride to a certain event, etc.) I want to thank all our families for your continuing generous auction donations...keep them coming. Invitations will be mailed soon so you can reserve your tables for the auction. Start now, talk to your friends. Register early to take advantage of special pricing. Our "Come Sail Away" auction is going to be a fabulous event on March 4th.

Salmon eggs have arrived! Mr. Montanari has set up a tank in the north end of the lunchroom so all students, Pre-K – 8th grade, can learn about the life cycle of a salmon. Sixth grade students will be taking water samples daily, recording the temperature, pH and ammonia content. Students will be collecting this data to assure the salmon eggs are in the best environment.

Catholic Schools Week begins in two weeks, January 29 – February 3rd. Students and staff have been busy in preparation for our school-wide Open House, including Project Reach by our seventh-grade class. You will see examples of student work in all classrooms and have the opportunity to visit all classrooms. All visitors will see how Holy Rosary School is alive and thriving because of your support, our hard-working staff, and our amazing students.

Blessings,

Susan Venable

SHAPE America and the American Heart Association Collaborate on the Jump Rope For Heart and Hoops For Heart Programs.

Get Wild About Heart Health!

Dear Holy Rosary Parent/Guardian:

Our school is proud to partner with the American Heart Association through Jump Rope and Hoops for Heart this year! Your student will learn heart healthy habits to keep their heart healthy. Students can raise funds for the American Heart Association.

The American Heart Association is second only to the U.S. government in funding research in heart disease and stroke. Additionally, the school earns money for PE equipment so we can keep our kids MOVING!

MISSION FOCUSED: Your student will learn the importance of heart healthy choices and may even inspire a few other family members to live heart healthy too!

GO WILD FOR HEART HEALTH! Students who raise life-saving funds for the American Heart Association will earn members of the Zoo Crew!

Each member shares a heart healthy message with our students and reminds them that they are **HEART HEROES!** Collect all six!

Visit www.heart.org/hoops to get started and see the back page for online instructions. Help your student explore the activities and send emails to friends and family.

Thank you for your support!
