Dear Families,

Catholic Schools Week begins next week, so please refer to the attached schedule which outlines each day's activities for the celebration of Catholic schools. This year we begin with an all-school Mass at 9:00 AM on Sunday, January 29th, where students will sit with their parents and wear their formal uniforms. Mass is followed by Coffee 'N for all parishioners served by our school staff and parents. We will be honoring all our teachers on Monday, January 30th.

On next Wednesday, February 1st each of you is invited to come enjoy a beverage and pastry at our delightful Coffee Café in the Holy Rosary lunchroom to celebrate Parent Appreciation Day. Please remember that you have the choice of a quick drive-through or the opportunity to walk-in and enjoy a leisurely morning. Our staff will gladly serve you between 7:30-10:00 AM. We have included an order form in the family folder this week.

Students and staff have been busy in preparation for our school-wide Open House, including Project Reach by our seventh-grade class. You will see examples of student work throughout the school and have the opportunity to visit all classrooms. Visitors will see how Holy Rosary School is alive and thriving because of your support, our hard-working staff, and our amazing students.

I would like to thank all the 26 students, parents and staff who traveled up north to Burlington last Saturday to help the migrant farmers and families. The Holy Rosary School spirit was definitely alive and well! Many students have already said that they are anxious to return next year.

On the same day our Holy Rosary School Robotics teams celebrated their great season. Many thanks to our fabulous Robotics coaches: Carolyn Brennan, Lance Groesbeck, Kevin Foy, Carlos Ordone, Cass Willis, Alfons Menano, Teresa Jolly Holt, Greg and Holly O'Connor, Lou Bailey, Amy Nolan and Kate Guthrie. They spent many after-school and weekend hours coaching the Robotics team. One of our senior teams, the Rambots won the Innovative Solution Award. This team was coached by Alfons Menanno and Teresa Jolly Holt.

I look forward to seeing you at next week's Catholic Schools Week activities.

Blessings,

Susan Venable

COFFEE CAFÉ | PARENT APPRECIATION

Let our school staff and students spoil you from 7:30 to 10:00 am in the lunch room or order for drive thru. See enclosed order form.

JUMP ROPE AND HOOPS FOR HEART

Jump Rope and Hoops for Heart will be during PE classes on Tuesday, February 7 and Wednesday, February 8. Enclosed is a schedule. The students can wear their spirit clothes the day they jump or shoot hoops. We are dedicating this year’s event to Dave Marquardt, father of Michelle Chia, who suffers from heart disease. I hope you can support this worthwhile event for research and education programs for the American Heart Association.

Principles for Marriage and Family Life

Theology of the Body answers the questions of every human life:
Who am I? Why am I here? How can I be happy?

Theology of the Body offers that God wants us
to know Him through our humanity:
our sexuality, our relationships, our joys and our struggles.

Theology of the Body proposes a fresh view of God's love.
This vision produces wonder, peace, joy
and a sense of reverence for oneself and others.

*Join Fr. Vincent to learn how this understanding instills confidence in
one's ability to live life as a gift to the world.*
