Dear Families,

Your donations of time, money and items for our school auction have been amazing. With "Come Sail Away" just 10 days away on Saturday, March 4th, I want to thank all for your generosity toward the auction. Due to this generosity, our auction storage area is becoming well-stocked with interesting and unique items.

Next Wednesday is Ash Wednesday, marking the beginning of Lent. We will celebrate Mass at 9:00AM, all are welcome. The journey of Lent is focused on participating more deeply in the life of Christ for spiritual growth. Lent is also a season of love: love for God, love for the needy, love for all creation. Most Fridays during Lent Father will have a 9:00 mass for our school students. Parents, we invite you to attend these masses with us.

Each of our Friday masses throughout Lent are prepared by a different grade level. It is very special to have all the students participating and to have so many parents joining in our weekly celebration of mass. I am pleased that we are able to share our Lenten journey as a school family.

Last Thursday evening was our Family STEM night. Students in grades 2-8 brought their parents to this evening to explore and build the STEM projects together. Later they were able to build ice cream sundaes to cap off the evening in a sweet way. This STEM night proved to be a great evening of fun and learning. If you were not able to join us this year please note it on your calendar for next year.

I would like to thank members from our STEM committee for organizing this great learning event: Rose Short, Craig Short, Katie Bilanko, Sheila Walde and Mike Montanari. Also, a huge thank you goes to Scott Causbie, Cass Willis and all the other parents who assisted students at each table. Our students had a great learning experience due to your caring support.

I also want to share my appreciation, along with Mr. Venable, for all your prayers and good wishes for his return to good health. The surgery last Thursday went well and proved successful. Mr. Venable is very grateful for the cards, meals and support of the Holy Rosary Community during his illness and recovery.

Blessings,

Susan Venable

Classroom Art Projects

One of the highlights of our annual auction is the presentation and bidding on the classroom art projects. Each and every student in the entire school contributes their touch to their classroom's unique piece.

These projects take an immense amount of time, materials, and would not be possible without many hours of coordination and oversight by parent volunteers and teachers!

Some of the art projects are on display after weekend masses, and others are having final touches put on them. We look forward to sharing them with you on the night of the auction. **Get your bid cards ready!**
