

May 3, 2017

Dear Families,

The Grandparents' and Special Friends' Day was a tremendous success! A special thank you goes to Lisa Rush for all of her time and energy spent planning and organizing this special event. Also, I want to thank all the parents who assisted with set up, serving and clean up for the reception. It was so nice having grandparents and special friends with us on Friday.

Congratulations to our second grade students who received their First Holy Communion last weekend. This was a very special day for the communicants and their families. If you would like to order photos and/or video and did not pick up an order form, please contact the school office.

Just a reminder about First Friday mass on this Friday, May 5<sup>th</sup>. Our third grade is responsible for organizing this mass, and after mass we will have a special May crowning of Mary in the grotto by our student council. Please join us for this special celebration to honor Mary.

Congratulations also go to the third graders who won honors in the Best Book I Ever Read poster contest sponsored by the Edmonds Art Commission and Friends of the Library. The posters submitted by Naomi Groesbeck and Elodie Hebert were judged to be Outstanding. Honorable Mention went to Owen Foy, Tom Lacy, Evan Seabott, Annika Wilson and Raina Wilson for their works. The awards ceremony was held on April 20<sup>th</sup> during our spring break.

I have some news to share about school staffing for 2017-2018. After a year as our seventh grade teacher Kelly Groesbeck has accepted Fr. Vincent's offer to serve as our parish youth minister. She will continue working in the school as the 7<sup>th</sup> and 8<sup>th</sup> grade religion teacher while adding the duties of ministry for middle and high school youth. We will be looking to add another teacher to our middle school staff as the 7<sup>th</sup> grade homeroom teacher. We are fortunate and excited that Mrs. Groesbeck will continue to teach our middle school students.

Next week features National Teacher Appreciation Day on Tuesday, May 9<sup>th</sup> when we will honor our outstanding teachers. We are truly fortunate to have teachers who are so caring and dedicated to helping our students be successful learners.

Also, MAPS testing continues this week, and it is important that students eat healthy meals and get plenty of rest for optimum results. The testing concludes next week.

Thank you again for your continuing support. You are the reason that this school year is heading for a joyful and successful conclusion.

Blessings,

Susan Venable
