

May 24, 2017

Dear Holy Rosary School Families,

As we get closer to the end of the year, I have some additional staff changes to announce for the 2017-2018 school year.

Susan Young is retiring after 20 years as our exceptional 3rd grade teacher at Holy Rosary School. We will have a retirement party for her on Wednesday, June 14, right after school in the lunchroom. This will provide a time for children and parents to say their good-byes to her.

Replacing Susan will be Katie Bilanko, our current first grade teacher. Katie, a three-year member of our staff, is excited to bring her great STEM learning activities to the third grade students. She creates learning opportunities that are motivating and interesting, and she is committed to the academic excellence that she has brought to Holy Rosary School.

Also, I am excited to announce that we are fortunate to be able to fill our first grade teaching position with another excellent teacher, Anna Olson. Anna has worked as a substitute teacher here at Holy Rosary School and has proven to be conscientious, organized, enthusiastic, and a positive influence on all students she has taught. She is a member of the parish and parent of two current students at Holy Rosary. Please join me in welcoming her to our staff.

In addition to these moves, Seniorita Parisa will be getting married and, sadly for the Holy Rosary community, moving to Chicago to be closer to her fiancé's family. I tried very hard to convince her to stay, but had no luck. Therefore I have posted this position already in hope of getting strong candidates for Holy Rosary School. Please know that each time we have an opening I work diligently to get the "best of the best" for our school.

It is always difficult to say good-bye to wonderful staff members, but we have been blessed by their time here. We wish Susan Young and Seniorita Parisa the very best in their new endeavors away from Holy Rosary. Join me in welcoming Katie and Anna to their new roles.

God bless each of you,

Susan Venable

***Holy Rosary, Edmonds
June 18-23, 2017
St. Charles Catholic Church
Skagit Valley***

All incoming 6th, 7th and 8th grade students are invited to join us as we travel north to serve our brothers and sisters in Skagit Valley. ~~Please join us for an informational meeting on Wednesday, May 17th at 7:30 in the school cafeteria.~~

Program Description

The Youth Migrant Project is a summer long experience that provides current junior high youth (incoming grades 6,7,8, and 9 depending on parish jr. high youth program norms) a unique and challenging opportunity to live in community and be of service to migrant families in the Skagit Valley. Parish youth groups serve for a week at a time throughout June, July and August. Participant jobs include preparing sack lunches for the meals programs for delivery to the children at the camp sites, working with local farms to glean fresh produce for the food bank, working at the Tri-Parish Food Bank, visiting the migrant camps, and providing donations (procured through participant fees.) A participant's day also includes prayer, community building, chores, and education about the needs of the poor.

History

This project began in 1985 when a parishioner from St. Joseph Church in Lynden noticed that migrant infants and pre-schoolers were left alone in vehicles in the hot sun while their parents worked in the fields. Through the collaboration of interested youth ministers and the support of Catholic Community Services, the Lynden Migrant La Paloma Day Care began in the basement of St. Joseph Parish. During 1986-1992, 200+ youth per summer spent a week in Lynden caring for the migrant children.

Due to the decreasing number of migrant workers and the creation of the Washington Migrant Council Day Care Facility (in Lynden), the daycare at St. Joseph was no longer needed. As a result, the youth service program was discontinued after the summer of 1992. In 1993, the Youth Migrant Project relocated in the Skagit Valley. Participants assisted in the four Washington State Migrant Council daycare centers.

At the present time, this program runs from mid-June until early-September. The youth continue to serve in the day care centers, as well as working at the Tri-Parish Food Bank located on the campus of St. Charles, visiting the migrant camps and providing donations. In order to make this experience available to more parishes, the Lynden program was restarted in 1998.

Goals

The goals of the Youth Migrant Project are:

1. Discovering and living Jesus' call to a life of loving service
2. Understanding the importance of respecting the rights and responsibilities of all people
3. Learning that one does not have to travel to a third-world country to work for justice and against poverty
4. Experiencing the richness of the Hispanic culture
5. Gaining valuable experience in a controlled setting to prepare youth for future mission experiences
6. Making new friends, developing and deepening an awareness of their faith, and experiencing the universality of the Catholic Church
7. Teaching and learning the Gospel through love and action and using words when necessary.
8. Have a heart of a beginner and let God surprise us in many different ways.

PARENTAL AUTHORIZATION

Dear Parent or Legal Guardian:

Your son/daughter/individual under your guardianship is eligible to participate in an activity that requires transportation away from the parish site.

This activity will take place under the guidance and direction of parish/school staff from Holy Rosary, Edmonds

Youth Migrant Project June 18-23, 2017

St. Charles Parish 935 Petersen Road, Burlington, WA 98233 360-757-0128

Please complete, sign and return the following statement of consent and release of liability with payment of \$225 to Holy Rosary by June 1st, 2017

I hereby consent to participation by _____, my son/daughter/individual under my guardianship, in the event described above. I fully understand that this event will take place away from the parish grounds and that my child will be under the supervision of the designated staff and/or volunteers on the stated dates. I understand that such an undertaking involves an element of risk. I assume all risks and hazards incidental to such participation and do hereby release, absolve, indemnify, and agree to hold harmless the Corporation of the Catholic Archbishop of Seattle, staff, volunteers, and drivers from any and all liability that may arise out of participation in this activity. I also give consent for emergency medical treatment if necessary. I do request that, if possible, I be contacted prior to treatment. As parent/legal guardian, I remain fully responsible for any legal responsibility which may result from any personal actions taken by the named participant. Finally, my child and I have read and understand fully the attached Code of Behavior for Youth Participants in Events and Activities sponsored by the Catholic Archdiocese of Seattle. I consent further to the conditions stated above, including the method of transportation.

Dear Parents,

The Archdiocese of Seattle requires that all youth be supervised by a ratio of 1 adult (21+) per 7 youth. This event cannot happen without your participation. Please circle what shifts you can cover. Parents may be needed to drive as well.

Please consider volunteering! This is a wonderful event for a parent and their son or daughter to experience together. That is to share in the clearly expressed plea of Christ to spread His love for all especially those who suffer poverty.

Calling all interested high tech Holy Rosary families!

After-school LEGO robotics teams are being established for the 2017/2018 school year.

“Our mission is to inspire all young people in Washington State to be science and technology leaders, by engaging them in exciting mentor-based FIRST programs that build science, engineering and technology skills, that inspire innovation, and that foster well-rounded life capabilities including self-confidence, communication, and leadership.” Washington FIRST Robotics Mission Statement

Kindergarten-3rd Grade

- Junior FIRST LEGO League teams meet for an hour once a week while preparing their LEGO model and poster for a chosen exposition (expo).
- This is a 10-12 week commitment.
- Expos take place in King and Snohomish counties on the first two weekends in December. This is an afternoon event that runs 2 hours.
- Two coaches are required for each team of 2-6 students.
- Cost per student (based on 6 students) = up to \$65
*Eligible for employer matching funds
- For more information, including a cost breakdown:
<http://www.firstwa.org/Programs/FIRST-LEGO-League-Junior>

4th – 8th Grade

- FIRST LEGO League teams meet for at least 1.5 hours twice a week while preparing their robot for competition and researching their science project.
- This starts as a 10-12 week commitment. The season could be extended if we advance to regionals or state level competition.
- Qualifying competitions are held the first two weekends in December and take place in King or Snohomish County. This an all day event that runs from 8a-5p.
- Two coaches are required for each team of 3-6 students.
- Cost per student (based on a 6 person team) = up to \$150
*Eligible for employer matching funds
- For more information, including a cost breakdown:
<http://www.firstwa.org/Programs/FIRST-LEGO-League>

Please return this form by June 1st so we can start planning.

Interested families will receive periodic email updates.

If you would like to participate, enter your child's name and which team(s) they want to participate in. To accommodate all interested children, we need enough coaches. Our standard will be a 3:1 ratio of students to adults.

Child's Name	K-3rd	4th-8th

We also need to find parents willing to act as team coaches. No prior robotics experience is necessary and training is available thru Washington FIRST Robotics. Coaches' meetings are held throughout the season to support our program.

Coach's Name	K-3rd	4th-8th
