From the Pre-k classroom of Mrs.Hruschka

Announcements/Reminders:

*Don't forget to send your child with a winter coat every day. We try to go out unless the weather is really terrible and we've had some cold kiddos.

Curriculum Corner	
Writing	This week the children started learning to write letters. Up to this point they have only focused on writing their own names. We started with L, E and F. They should have a proper grip when they write.
Math	We have been working with our Lego Math program, Math Train. The children are working in groups, problem solving and enjoying math!
Reading	The children are working on listening to and identifying rhyming words in stories, poems and songs.

Congratulations to these great kids who earned Bananas!
