

Dear Families,

We are preparing for Grandparents'/Special Friends' Day on Friday, April 27th, and we are looking forward to a special morning. Grandparents will meet their grandchildren just outside the church entrance at 8:45 AM and go into church together. Following Mass the students and grandparents will visit classrooms, tour the school and enjoy a treat at the reception in the Pastoral Center. Following this reception, a photographer will be available to take a picture of grandparents with their grandchildren. As you can see, it will be a very special morning.

Along with Grandparents' Day our 7th grade students have been very busy creating their Rube Goldberg projects. These amazing projects will be on display in our cafeteria at school Thursday throughout the day and Friday morning. Please come by and witness the creativity for yourself.

Our second graders are making their First Holy Communion on Saturday, April 28th at 10:00 AM. This is a very important day for them and their families, and we congratulate them on the completion of their preparations for this very special sacrament.

I am grateful to each of you for your partnership with our school and entrusting us with the care of your children each day.

Blessings,

Sue Venable

Holy Rosary After School Robotics Teams Parent Information Night Holy Rosary School Cafeteria May 8th, 2018

This is an opportunity to ask questions, set goals for our teams, and hear your feedback about what days and times would work best for your family.

Topics will include equipment overview, time commitments, coach/mentor training, and parent involvement. Veteran coaches and team parents will be available to answer your questions about the LEGO robotics team experience.

Since we have two very different sets of teams, we are structuring the meeting in two sessions. Please attend the session(s) that match what your children have signed up for OR which team you have volunteered to coach.

6:30-7:15 Junior FIRST Lego League (JrFLL) for Kindergarten - Third Grade

Break

7:30-8:15 FIRST Lego League (FLL) for Fourth - Eighth Grade
