Curriculum Corner	
Writing	This week we practiced writing letters J, D and P. We are reminding the children to use a proper grip when holding their pencil. The thumb and pointer finger make a loop or circle with a proper grip.
Math	The children continue to work on identifying teen numbers and counting to 30 plus. The children are also working on counting by 10's to 100.
Reading	I have introduced the following sight words: I, a, go, is, me. Each word has a motion to go with it to help the children remember the word.

Congratulations to these great kids who earned Bananas!
