Dear Families,

I wish that you could have seen the precious moments last week for Teacher Appreciation Day. Each student acknowledged each staff member in his/her own special way. Whether it was a hug, a smile, a thank you, a special note or a beautiful flower, the staff all felt greatly appreciated. Also, the lunch from the Parent Association was a huge hit with the teachers. They enjoyed the delicious sandwiches, cookies and vegetable platter. What a real treat for lunch to be awaiting them as they entered the staff room. A special thank you to Melissa Jamison for all her work in organizing this amazing Teacher Appreciation lunch for our teachers.

Included in this week's folder is information regarding the upcoming track meets. Please note that we are seeking drivers to transport our student-athletes to and from the Everett sites. We need your help to make sure that no one misses this great opportunity to compete against the neighboring Catholic schools in our area.

If you need some volunteer hours you may want to consider helping at the Intermediate Track Meet on Tuesday, May 22nd. You can sign up at: <http://tinyurl.com/HRE-VO-17-18>

Our Spring Concert is next Thursday, May 24th, at 6:30 PM. Be sure to note the earlier start time this year which was changed due to an overwhelming request from this year's concert survey. Please check with your room parents if you have any questions regarding your child's attire for the concert.

We have some campus safety concerns: please do not let your children walk through the back parking lot or play in the big toy playground area during the pick-up process after school. With all of the cars, we are concerned for children's safety. Also, for everyone's safety, we are not able to have dogs on campus.

It is amazing to see the academic, spiritual and social growth of our students since the beginning of the year. Teachers and parents alike should be proud of their contributions to the success of this current school year.

Blessings,

Sue Venable

HOLY ROSARY SCHOOL COMFORT KITS

The Safety Committee for Holy Rosary Parish and School has identified the needs of our school in the event of an emergency. Their task is to prepare a plan for the safety and security of the students and staff during an earthquake or other natural disaster. The committee felt it was necessary to have each family prepare a **COMFORT KIT** for each of their children. This kit is intended to provide physical and emotional comfort to your child for up to 72 hours. **All items must fit into a 2-gallon (extra large) CLOSED zip lock bag, or two 1-gallon bags.**

The food items are suggestions; you may choose what your child likes, but keep in mind that under stressful conditions our bodies require extra amounts of protein and sugar. Some salt is important, however, too much will cause excessive thirst when water may be limited. A short letter of comfort should explain that you are unable to get to school right now because of the existing emergency. Reassure your child that you will be there as soon as you can. Remind them that the teachers and staff will stay with them for as long as necessary.

Your child's comfort kit will be sent home at the end of the school year. Each Fall, replace the perishable foods and batteries, and return the kit to school.

COMFORT KIT MASTER LIST

These items MUST be in your child's kit:

Comfort letter & family photo	Stocking cap
Small flashlight w/ batteries	Mittens/gloves
Large plastic garbage bag	Pair of socks
Sealed bottle of water	Space blanket

****3-day supply of necessary prescription medications with directions for use****

Suggestions for Food Items:

2 small (pull tab) cans of juice	Box of raisins	Cheese & crackers
Peanut butter & crackers	Beef jerky	Lightly salted nuts
Fruit cup (pull tab)	Granola bar	Pudding (pull tab)
Vienna sausages (pull tab)	Hard candy/gum	Fruit snacks

It is **VERY IMPORTANT THAT EVERY CHILD** has a kit at school. Their kit should be labeled with your child's name using a permanent marker. We hope that there will never be the need to use these kits, but we must be prepared. Thank you for your help.

BACKUP LUNCH

Additionally, a backup lunch with non-perishable items should be sent to school. This will stay in your child's cubby and used if/when a lunch is forgotten at home.

Bring Comfort Kits and Backup lunch on the first day of school.
