

PreK A Class News

From the Pre-k classroom of Mrs.Hruschka

Announcements/Reminders:

*Your child's work folder is in his/her backpack today. Please take all the work out and look over it with your child. Return the folder on Monday in your child's backpack.

*Please prepare your child to say goodbye to you in the lunch room starting Monday morning.

Curriculum Corner	
Religion	This week we completed our first chapter in the "God Made the World" curriculum. The children learned that we are made in the image of God and each of us is special and unique.
Math	Beginning Prek math concepts include one to one correspondence, counting to five, shapes and colors.
Reading	This week we started looking at letters in our names. The children love comparing their name with friends in the class.

Congratulations to these great kids who earned Bananas!

Tired Kids?

We made it to the end of our first full week! All of the kids have put forth an incredible amount of effort towards learning new routines, listening, following directions, making new friends and learning academic material too. Your child is most likely exhausted and this is normal for Pre-K. If you are able to give your child a quiet, low key weekend that will really help prepare them for next week.
