SEPTEMBER

From the Teacher

September 21, 2018

We had a tour of the church with Father Vincent on Thursday. Father did a fabulous job showing them how he gets dress for mass. He took them up to the alter and explained about the chalice and the blessed bread that is used for communion. He lit incense and explained that the smoke took our prayers up to Heaven. We finished in the small chapel where the Blessed Hosts are kept under locked key.
