OCTOBER

From the Teacher

October 19, 2018

We have been enjoying all the colors that surround us at school. The children are so happy for the beautiful colors that God has given us through nature.

We are making a rainbow by tearing paper and gluing – they should be done next week. This is a great fine motor skill activity.

We mixed colored dyes together on paper towel leaves to make new colors such as Red & Green make Purple.

Look What We Are Learning!

- **Literacy /Writing** – We are learning the sequence of the story “Brown Bear Brown Bear What Do You See?” The students are making their own book to share with their family. We learned the sounds of letters H & I.
- **Math** – We are continuing learning how to make shapes. The students made scarecrows that are hanging in the hall and pumpkins to hang out in our pumpkin patch bulletin board.
- **Religion** – Chapter 6 “God Made Color” children realize that God designed the world with many colors and that colors can mean different things.

Reminders

Yellow Folders

- Literacy – Bean letters of H & I
- Spanish – Pumpkin Activity
- Math/Science – Thumb print tree
- Religion – Chapter 14 “God Made Colors”
- Creative Art Work

Important Dates

- Monday October 22nd – Free Dress for October Birthdays
- Thursday October 25th – students will decorate pumpkins with their 7th grade buddies.
