# SEPTEMBER

## From the Teacher

**October 5, 2018**

We had our first school Mass with our 7<sup>th</sup> grade buddies today. The children did a fabulous job being good listeners and being respectful during Mass.

On Wednesday the children went on a Scavenger Hunt around the school and church looking for items found in nature. They loved this activity - I witness a great deal of kindness among these friends helping each other find the items.

Your child's blanket will be coming home today to be washed and returned on Monday.

## Look What We Are Learning!

- **Literacy/Writing** - This week we learned the sounds that letters L and F make. The children glued black beans and noodles on these letter to help strengthen their small finger muscles.
- **Math** - We began our Math Stations this week where the children were engaged in a variety of activities that involved creating shapes and recognizing colors.
- **Religion** - Chapter 5 "God Made My Church Family." The children identified the church as God's family and that they belong to the church. I prepared the students to recognize the items they would be seeing at our Mass today - a cross, Holy Water, hear songs, Father Vincent and the Alter Servers.

## Reminders

### Yellow Folders

- Religion - Chapter 5 - God Made My Church Family.
- Literacy - Letters L & F
- Math - Recognizing Shapes
